TESTIMONIAL

To Whom It May Concern,

RE : Letter of Testimonial

With reference to the above , we are very grateful to BCA System Sdn Bhd for introducing the HandPunch Biometric Recognition System to our company. We have been using your Time Management and Payroll System, which are intergrated to the HandPunch System since 2003. We are very satisfied with this system and we have not encounter any major difficulty or problem with them for the pass 2 years. We also have the confident to recommend this complete system to other whom are looking for a good and a reliable Management System.

The Time Management Software works especially well with with the HandPunch Biometric Recognition System and any problem that arise can be fixed immidiately. We at OGPC Industries Sdn Bhd are very pleased with this complete system. It reduced the cost of printing, checking, processing time and payroll distribution. We have had a good deal with BCA System Sdn Bhd personnel. They are always professional and responsive to our needs.

Yours faithfully,
OGPC Industries Sdn Bhd
